CSO IBB New Staff February 6, 2017

- ▶ Jeffery Hughes AD-CSO D-NTS
- ▶ Jeffery's duties will be to assist all locals in welder training, train local trainers as needed with new welding procedures from our contactors and weld test new recruits as needed.

- ▶ Timothy Simmons AD-CSO D-NRS
- ▶ Timothy's duties will be to recruit Boilermaker welders for all US locals, Tim has been traveling to welding colleges and has worked with MOST on the recruitment data base.

Reason for new recruiting and training staff

- ▶ Apprenticeship alone can not replace retirees fast enough
- ▶ Boilermakers who work steady for our contractors are not available
- ▶ There are 3000 plus who work steady for contractors
- ▶ There are 400 to 500 Alumni agreements administered by BNF
- ▶ Many locals have lost Boilermakers to Utilities, Rail Road and other industries
