

Working Together to Build a Stronger Industry

International Boilermakers Southeast Area Tripartite Conference

Mike Skaggs

Executive Vice President of Operations, Tennessee Valley Authority

April 11, 2017

TVA's Mission

Serving the people of
the Tennessee Valley
to make life better.

Importance of Boilermakers to TVA and Its Mission

- One of six unions on TVA's Annual Trades & Labor Council
- One of 15 unions on Hourly Trades & Labor Council
- ~140 TVA annual employees represented by the Boilermakers
- Hourly Boilermakers utilized extensively during outages

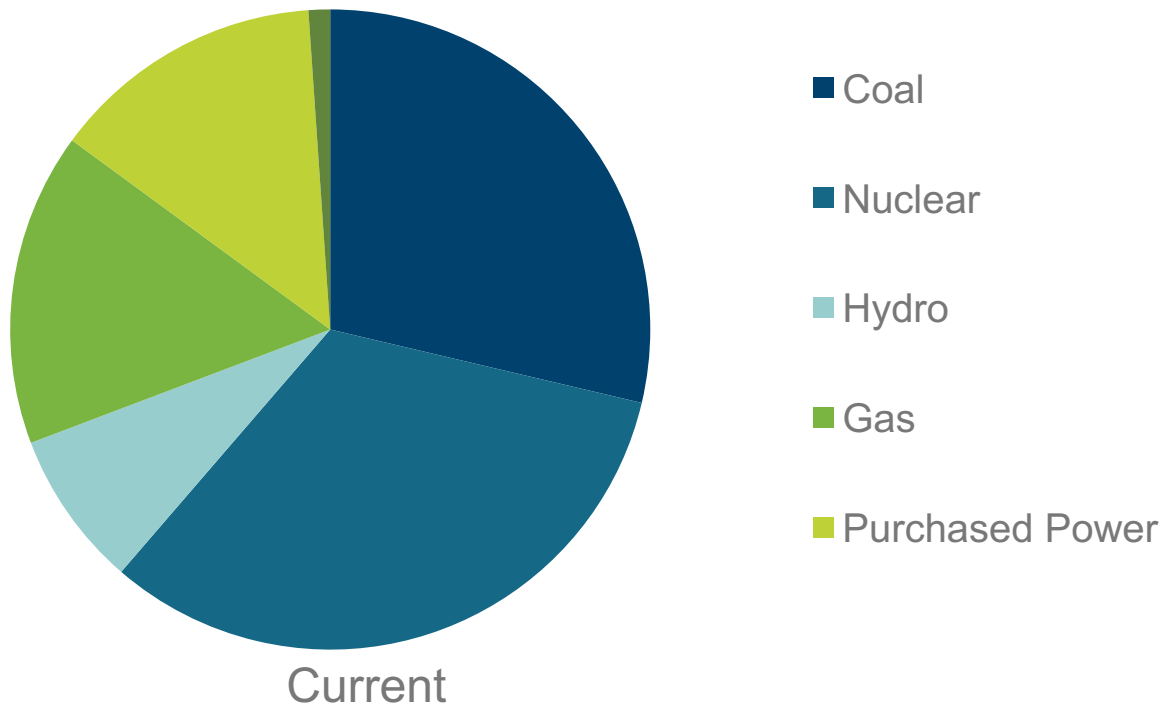

How We Deliver Our Mission

- Provider of affordable, reliable power
- Steward of the Valley's natural resources
- Partner for economic growth

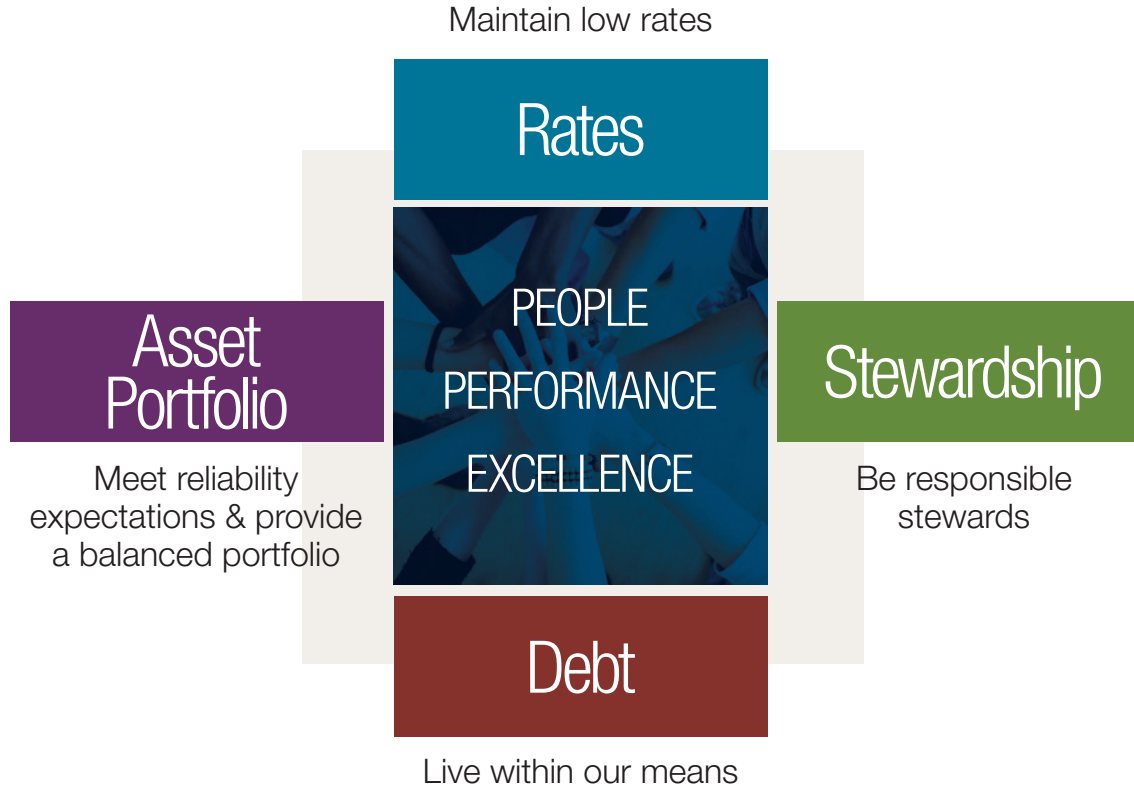

Partner with 154 local power companies
to serve 9 million people and 700,000 businesses
in parts of seven states

Directly serve 59 large industries and federal installations

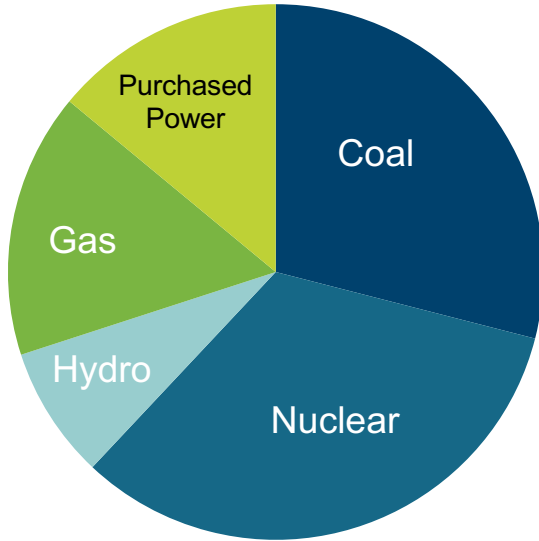

TVA's Power System

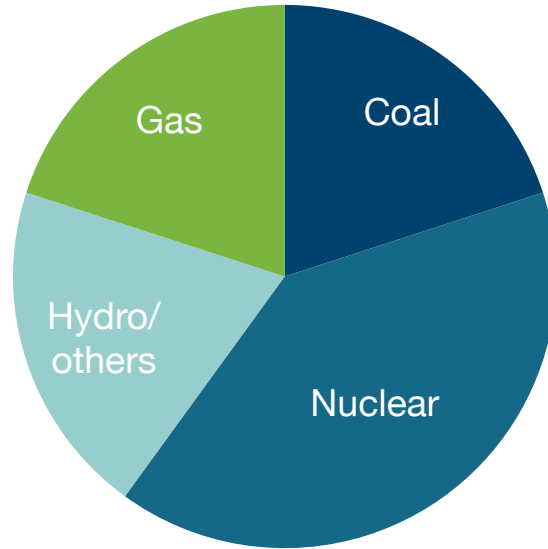

Strategic Imperatives

Balancing Our Portfolio

Current

Future

Watts Bar 2 – Results of Working Together

Watts Bar 2 – Results of Working Together

- Extremely challenging, complex project
- Safety was foundation
- Commitment to service resulted in a high-quality asset for Valley

Through our partnership,
together we delivered
the nation's
first new nuclear unit
of the 21st century
the right way –
That's something
to be proud of . . .
to build on going forward

Working Together Going Forward

- Commit to safety and quality
- Adapt to business challenges
- Develop skills for the future
- Communicate openly, honestly, and respectfully
- Work together today better than we did yesterday
